

Architectural Limited Warranty

Cleveland-Cliffs Steel Corporation warrants its Type 304, Type 316, Aluminized Type 1 409, Aluminized Type 1 439 and CHROMESHIELD® 22 stainless products used in roofing applications against corrosion for a period of thirty (30) years from the date of purchase, subject to the limitations and exclusions described in this warranty and provided the product is utilized solely for architectural applications and in normal atmospheric conditions. For purposes of this warranty, corrosion is defined as through-wall penetration of the stainless steel. No warranty is made regarding mechanical damage, physical damage or other damage as a result of installation or workmanship after receipt of the product from Cleveland-Cliffs Steel Corporation (including but not limited to applications or welding, shaping or forming using methods which are not best practices for stainless steel of this grade) or using inappropriate cleaning solutions. This warranty does not cover any product which has been subject to misuse, neglect or accident. Use on chemical or manufacturing facilities which produce or use chemicals which have an adverse effect on stainless steel also is excluded from this warranty.
